The background of the cover features a reproduction of the painting 'The Starry Night' by the Dutch Impressionist painter J.M.W. Turner. The painting is characterized by its vibrant, swirling blue and yellow sky, with several bright, glowing stars. In the foreground, a dark, jagged cypress tree stands prominently against the turbulent sky. The overall style is expressive and textured, with visible brushstrokes throughout. The central text is overlaid on a solid yellow rectangular area.

Unit 1

God Made All Things Beautiful: My School

Why do I go to school?

I go to school to learn about God, about people, and about all Creation.

What will I do in school?

I will learn the names of many objects in my classroom, how to respect and be thankful for my teacher and classmates, and how to follow routines.

What is the history of my school?

Teacher and Parents: Tell the story—how and why it came about—of your specific school setting, whether Rafiki school, public, private, or homeschool.

What will I do and think about while getting to know my school?

I will memorize a poem, learn how to use and care for school supplies, and think of all the good things school can do for me and my family.

What book will I learn from all year?

I will learn from the Bible, God's Word to us. It will teach me who God is, who I am, and how I can grow in knowledge, understanding, and wisdom.

What literacy skills will I explore this week?

I will review all the letters of the alphabet, upper and lower case. I will practice language and vocabulary skills of my national language, if it is other than English, or I will do so for a second language.

What numeracy skills will I explore this week?

I will explore the idea of nothing and learn the numeral that represents nothing—zero (0). [pronounced /ZEE roh/]

Name: _____

Follow the teacher's instructions.

Name: _____

Follow the teacher's instructions.

Name: _____

Color the shapes to make a pattern.
